

## Here's Your First Look At The Britney Spears Lifetime Biopic

It's Britney (and company), bitch.

*The Hollywood Reporter* [announced](#) the project back in August. The two-hour TV movie will, according to the announcement, follow Spears' life as a young girl in Louisiana, her rise to fame, her famous breakup with Justin Timberlake, her period of emotional turmoil, and her comeback.

**And now, we have an exclusive first look at the whole cast. As previously [announced](#), Natasha Bassett will play Britney Spears, queen of pop.**
